

L-Series See-Thru direct vent

fire feature

an experienced leader in the gas fireplace industry

 **MONTIGO**®

The Art Of Fire Places

Features:

- L38-ST and L42-ST Fireplace convertible using Top Vent or Side vent. L52-ST only available using Top Vent.
- Flush or Clean-Face Design allows for brick or tile installation over the fireplace frame
- Unique linear burner design and technology
- Classic contemporary styling to fit your decor
- Large viewing areas for a full view of the spectacular fire
- Snap-Lock door system for tool free access inside the firebox

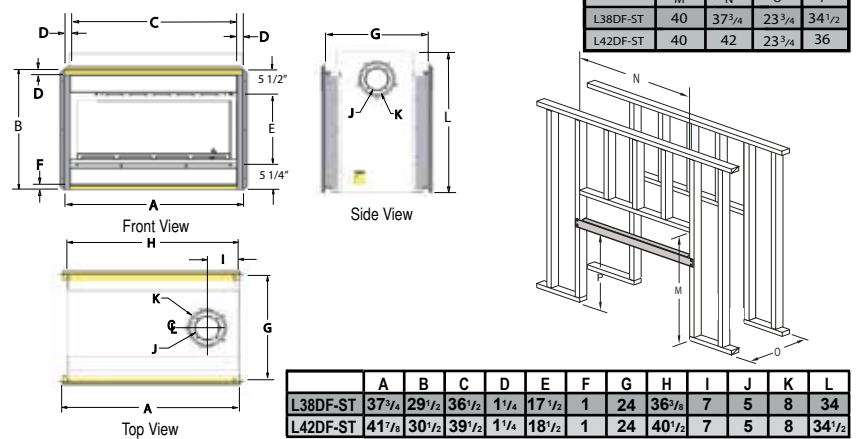

L42DF-ST with optional Stainless steel surround.

- Hi/Lo control for adjusting flame level
- Piezo spark ignition
- Millivolt control allows for continuous operation, even during a power failure
- 100% fail-safe shut-off valve on all models

Design Options:

- 150-CFM squirrel-cage fan kit available to increase heat circulation, (fan NOT available on L52DF-ST). The kit is available with optional heat-activated control and variable speed control.
- Factory installed electronic ignition with available battery backup and optional remote control.
- Wireless remote control (on/off only)
- Optional River Rocks

- 46" X 18 1/4" Glass Door Size

Consult the owner's manual for complete installation instructions and proper clearances to combustible surfaces prior to installing fireplace.

Warranty: The manufacturer warrants this fireplace to be free from defects in materials and workmanship at the time of manufacture. There is a limited 10 year warranty on the firebox; 5 year limited warranty on the burner and 1 year limited warranty on the pilot burner assembly and fan motors (if included). The valve carries a limited 1 year warranty unless otherwise specified in the installation manual. Glass, plated/painted finishes and refractory lining are exempt.

All specifications, framing dimensions, product designs, materials and colors are subject to change without notice. The actual flame pattern and color may vary slightly from the illustrations. Diagrams and illustrations are not to scale.
